

April 1, 1959

Dr. Edward A. Adelberg
Bacteriology Department
University of California
Berkeley 4, California

Dear Ed:

Wednesday, April 8th is fine. We had received the notice of the local SAB meeting and were expecting to hear from you regarding alternative plans. I hope some of us might get up to the meeting but am not sure how convenient it will be on this occasion. Certainly we are interested.

I have just one appointment, at four o'clock in the afternoon, on the 8th and this may be just as well even should you stay so long as it may furnish an easier opportunity for you to talk to some of the other people here.

Looking forward to seeing you,

Yours,

Joshua Lederberg
